GOVERNMENT OF MYSORE

EXCISE

PROCEEDINGS

Dated 19th November 1901

No. 7755-64
Ex. F. 18-98

Sanctioning, with certain observations, a refund bill for Rs. 88-8-8, being one-third of the tree-tax on trees which were not utilized by the Toddy Contractor Obalegauda of Marikanave firka for the year 1900-01.

Proceedings of the Government of Mysore, Excise, dated 19th November 1901.

READ.

Letter No. 2909—127, dated 25—26th October 1901, from the Excise Commissioner in Mysore, submitting a refund bill for Rs. 88-8-8, being one-third of the tree-tax on trees which were not utilized by the Toddy Contractor Obalegauda of Marikanave firka for the year 1900-01, and recommending the remission of the balance of tree-tax, viz., Rs. 177-1-4, which has been brought under demand for the year.

No. 7755-64—EX. F. 18-98, DATED BANGALORE, 19TH NOVEMBER 1901.

ORDER THEREON.—Obalegauda, Contractor of Marikanave and five other toddy shops, all forming a group, applied for 250 trees in the Bharmagiri groves for the supply of toddy to his shops. The application for trees with the necessary certificate of the Inspector and one-third portion of the tree-tax, as required by the rules, were presented to the Amildar of the Chitaldrug taluk, who transmitted the same to the Hiriyur taluk, to which the shops and groves in question belonged. The application was finally rejected by the Excise Supervisor with the permission of the Divisional Officer, on the ground that the Bharmagiri groves were not assigned to any of the above shops during that year. The Abkari Inspector who certified to the correctness of the entries in the application explained that he relied upon the particulars of the schedule attached to the sale Notification of the previous year found with the contractor as he had not then with him a copy of the Notification for the year 1900-01, and even this statement is not correct.

Under these circumstances the refund recommended is sanctioned with the observation that the Government are unable to see why the egregious blunder made by the Excise subordinate concerned, which has necessitated all this correspondence and trouble, could not have been avoided, and they hope that in future, such erring officials will be held personally responsible for making good sums required for refunds of this description. The remaining two-thirds with interest will be written off the accounts as proposed.
